AHRMNY is pleased to present our full-day annual educational conference. This year's program is full of a diversity of topics that address the issues that are foremost in our society today. Our hope is that you will be able to take away the information received and be able to utilize them into your practice. We have two exciting keynote addresses by speakers that are prominent in their respective fields. Margaret Garrett, BSN, MED, JD, CPHRM, FASRM from Johns Hopkins Health will discuss How to Respond to Active Shooters on Healthcare Campuses and Tim McDonald, MD JD, President for the Center for Open and Honest Communication at the Medstar Institute for Quality and Safety and a Professor of Law at Loyola University as well as John Walpole, Area Senior Vice President from Arthur J. Gallagher & Company will address "When Words and Actions Matter Most: Responding to Patient Harm".
