Members and Colleagues:

On behalf of the Officers and Board of Directors of AHRMNY, we welcome your organization to become a sponsor of our non-profit association. We are a professional organization providing education, networking, and a forum for discussion of healthcare risk management issues. AHRMNY is a resource for explaining the impact of these issues to hospital associations, medical societies and civic groups. We are an affiliate chapter of the American Society for Healthcare Risk Management (ASHRM). Founded in 1982 and incorporated in 1985, AHRMNY is organized as a non-profit 501(c)(3) association. We work diligently to develop programs for the health care and legal community to serve our members from the legal, regulatory, risk management, insurance and claims industries. AHRMNY members represent many healthcare organizations, law firms and insurance organizations. Currently, we have 330 active members.

Without the support of organizations like yours, we would not be able to provide quality educational programs to the healthcare risk management and patient safety community of New York.

We are seeking sponsorship for the following educational programs in 2025:
