AHRMNY
The Association for Healthcare Risk Management of New York, Inc.

Who are we?

The Association for Healthcare Risk Management of New York, Inc. (AHRMNY) is the New York Chapter of The American Society for Health Care Risk Management (ASHRM). Founded in 1982, AHRMNY has been the leading educational organization committed to healthcare risk management and patient safety in New York.

Our mission is to enhance the quality of the delivery of health services and the professional practice of health care and health related risk management through educational activities to strengthen the development of healthcare and promote professional development of related staff. We provide a forum for the interchange of ideas and methodologies among members and other health professionals through educational conferences, social events and our journal, The Risk Management Quarterly. We have 300+ professional members from various industries: healthcare risk managers, patient safety officers, administrators, medmal defense attorneys, claims & insurance, quality assurance, long-term care, physicians, and nurses.

Without the support of our sponsors, we would not be able to fulfill our mission.
