The Association for Healthcare Risk Management of New York, Inc.

The Board of The Association for Healthcare Risk Management of New York, Inc., was deeply saddened to hear of the passing of Peter Bower, founding member of Bower Law PC. Mr. Bower has been a highly respected pillar of the medical malpractice defense bar for more than 40 years. His firms have been members of AHRMNY for two decades and he, himself, was an active member for a decade. His skill, knowledge, and professionalism, as well as his amiable character, will be missed.

AHRMNY extends our deepest condolences to the family, friends and colleagues of Peter Bower.
